

## The MyDiv Experiment – Research Proposal Form

Please outline your project idea within the MyDiv Experiment by filling out this short Research Proposal form.

**Project title:**

**Principal Investigator (PI):**

**Affiliation:**

**Email:**

**Additional researchers involved (specify if Professor, Postdoc, PhD student, Student, include affiliation):**

**Project type:**

Field study (single sampling)

Field study (multiple samplings)

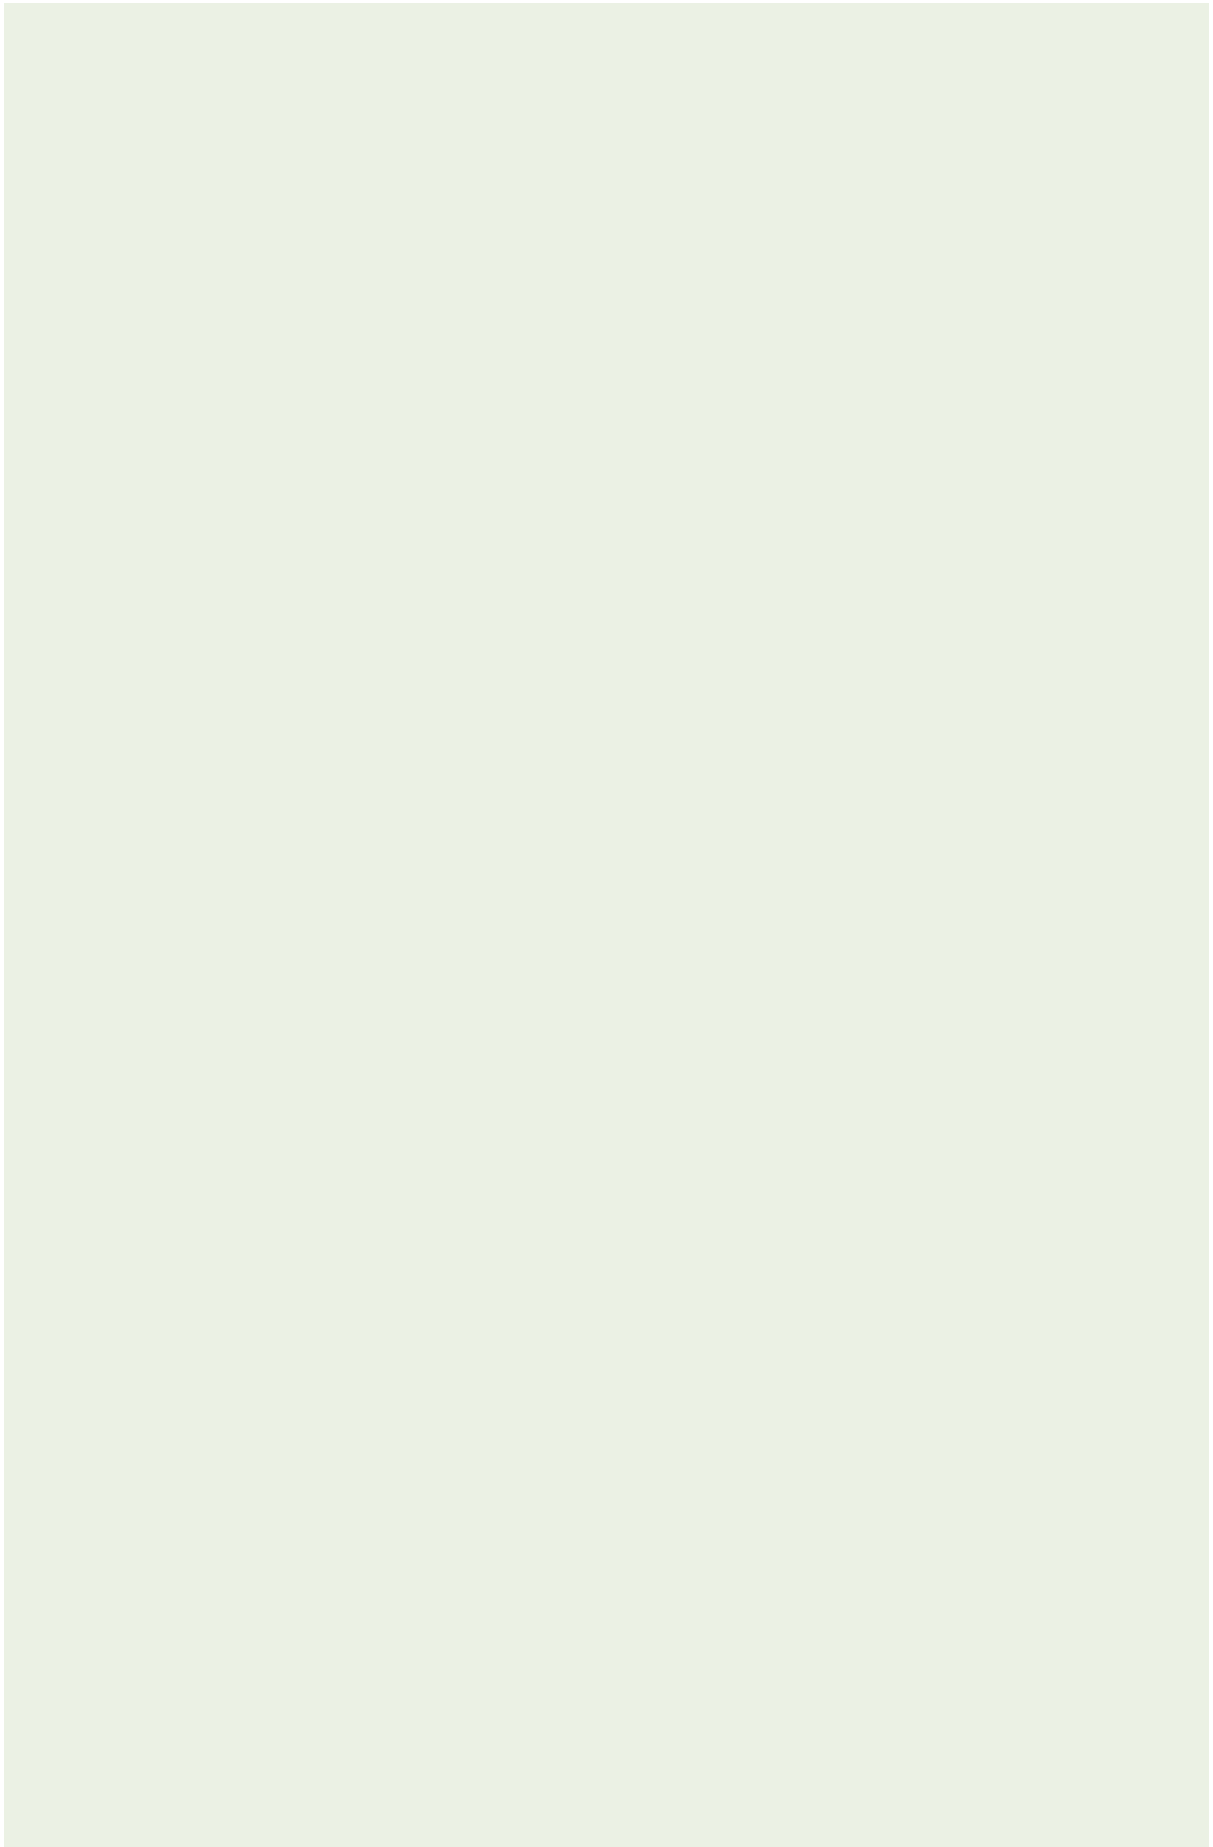

Synthesis

Data-use only

Lab study

---

**Short outline of the project (600 words max.):**

---

**Anticipated start of project:**

**Which plots are sampled:**

**Investigated treatments:**

Tree species richness

Mycorrhizal type

**Parameters measured / Variables used:**

**Resources / Infrastructure requested:**

**Additional comments:**

---
